Academic Registrar  
29 NOVEMBER 2023

For students who began their programs in 1974 or later, computer generated academic records replaced those issued earlier. Where a student first enrolled prior to 1974, the entry “credit gained before 1974” indicates a full academic record is shown in two separate statements. From 1990 the Queensland Agricultural College (QAC) became The University of Queensland Gatton College and is now designated University of Queensland, Gatton. Students enrolled at QAC prior to 1990 who then enrolled at the University will have a separate statement for their pre-1990 studies.

## The Academic Year

Programs are offered across a range of formats: semesters, trimesters, teaching periods and research quarters which span the calendar year. Details of the academic calendar can be found on The University of Queensland website.

## Notings:

### Symbols

#	represents the credit point value (pre-2001) or unit value (2001 onwards) of a course.
GPA	stands for Grade Point Average.

### Dean's Commendation

A Dean's Commendation for Academic Excellence recognises students who have excelled academically. The criteria for Dean's Commendation for Academic Excellence may be found at: <https://ppl.app.uq.edu.au/content/3.50.04-deans-commendations-academic-excellence>

### Honours

Honours are awarded in one of three classes: honours class I; honours class II (A or B); honours class III (A or B). From Semester 2, 2005, the use of weighted percentage scores to calculate the class of honours, using University-wide cutoff scores, was introduced progressively across all honours programs. From semester 1, 2015 the use of a weighted GPA to calculate the honours class was introduced progressively across all honours programs. The criteria for the award of honours may be found at: <https://ppl.app.uq.edu.au/content/3.50.12-bachelor-honours-degrees>
